SWAMP DOG'S SIXTH ANNUAL CHARITY TRIAL!!!

Hope you can come join us for some fun at this year's charity trial. We are proud to have Louisiana Search and Rescue benefit from this event and all our exhibitors get to come out and have fun with their dogs!

MISSION STATEMENT

The members of Louisiana Search and Rescue Dog Team (LaSAR) have made a commitment to assist the community by training dogs and their handlers to excel in the rescue or recovery of those in need and to work in conjunction with law enforcement agencies to bring about a successful conclusion to the search. It is this commitment to the community, which remains the guiding force behind LaSAR.

BACKGROUND

- The concept to start the first search and rescue dog team in Louisiana began in late 1989. After months of research and development to put together a solid training program, the first dog began training with its owner/handler in March of 1990.
- In January 1991, LaSAR was founded as a totally volunteer, non-profit 501(c)(3) organization involved in search and rescue of lost or missing individuals. The team is based in St. Tammany Parish.
- LaSAR is not bound by any parish or state boundaries and is available to local, state and federal agencies on a 24 hour basis at no cost to the agency or family.
- Teams (a dog and its owner-handler) are tested and must pass strict national certification standards before being allowed to respond to a call out. Teams are certified in one or more of the following disciplines: wilderness, water, building, cadaver, disaster and urban capabilities.
- Dogs are trained to identify human scent and have the ability to discriminate one human scent from another.
- In water searches, the team works out of a boat with the dog locating where the body's scent is breaking the surface of the water. This gives the divers or other volunteers a specific area to search for the body.

ACCOMPLISHMENTS

- Since our first call out in May 1991, we have responded to over 650 call outs
- LaSAR has responded to call outs in Louisiana, Mississippi, Alabama, Florida, Texas, Arizona, North Carolina, Oklahoma and Canada
- A LaSAR handler is contracted by the FBI to handle cases across the US
- LaSAR members assisted with the New Orleans Riverwalk disaster
- LaSAR members worked the Columbia Space Shuttle accident
- LaSAR members worked for several weeks in Louisiana and Mississippi, helping clear numerous areas after Hurricane Katrina
- LaSAR search dogs have successfully rescued numerous Alzheimer patients and lost hunters
- LaSAR search dogs have successfully alerted to the location of many drowning victims. Some located under both water and marsh and under water and sand as well as locating double and triple drowning victims
- A LaSAR member founded the NSDA

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is **expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Swamp Dog Agility Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **Swamp Dog Agility Club** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against **Swamp Dog Agility Club** or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, the club will refund **entry fees less \$5 per day** of the entry fee paid for bitches unable to compete for this reason upon presentation of a veterinarian certificate. This certificate must be presented to the Trial Secretary prior to the start of judging on the first day of the trial.

RINGSIDE

Dogs may arrive any time prior to judging if they have a valid height card. Otherwise, they must be available for measuring prior to the start of their class. **Judges are not required** to wait for dogs. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
